

Pencil

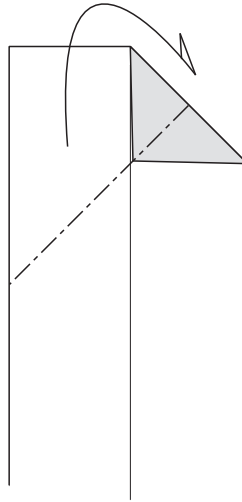

traditional

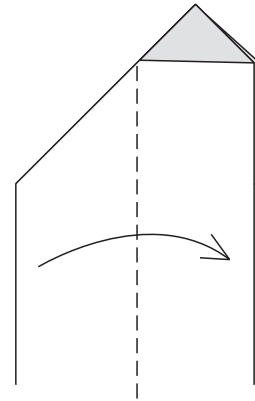

1. Begin with a 4x1 rectangle, white side up. Precrease in half.

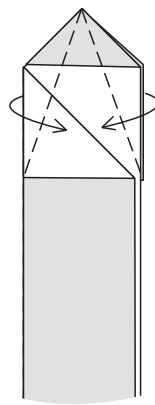

2. Only the top is shown. Valley fold the right corner to lie along the center.

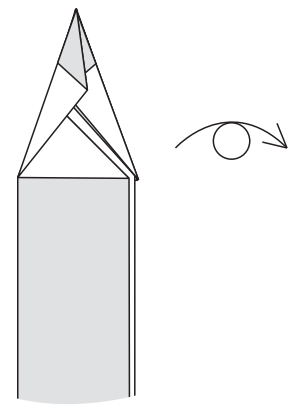

3. Mountain fold, noting that the colored triangle is divided evenly.

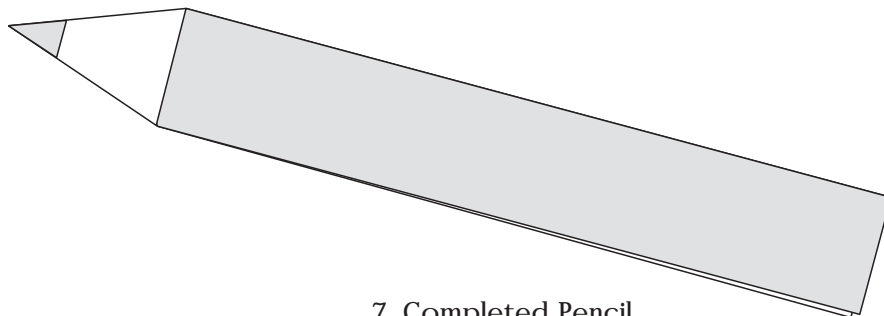

4. Valley fold in half along the existing crease.

5. Valley fold the sides inwards. They will overlap slightly.

6. Turn the model over.

7. Completed Pencil.
